

Katie (Becofsky) Potter, MS, PhD

Assistant Professor, Department of Kinesiology
University of Massachusetts, Amherst, MA

Dr. Potter is an assistant professor in the Department of Kinesiology at UMass Amherst. She received her PhD in Exercise Science from the University of South Carolina in 2014 and completed a postdoctoral fellowship in Cardiovascular Behavioral Medicine at The Miriam Hospital/Brown Medical School in 2016. Her current research is focused on designing and testing interventions that leverage the human-animal bond to increase physical activity levels and improve psychosocial well-being.
